ASSISTANCE AVAILABLE

In cases where genuine need is established, the Trident Homes – Building Communities Fund can be used for the following purposes:

- To assist with HNC Annual Subscriptions for 2019
- To assist in purchasing suitable footwear for training and playing netball

Assistance may be granted fully or partially, bearing in mind that once the Fund is exhausted, it will not be available to help other individuals/ families in genuine need this season. Should an application for assistance with annual subscriptions be declined, the Hornby Netball Club will endeavor to offer alternative options (i.e. payment plans).

We would like to help where we are able to for all families in need.
